

# KELECHI ALEXANDER UGOH

## Junior Frontend Developer | HTML, CSS & JavaScript

@alexthegreatdeveloper@gmail.com

<https://github.com/Alexthethunderboy>

Lagos, Nigeria

## SUMMARY

I believe that the one thing that makes me the best candidate for this job is my proficiency in HTML, CSS, JavaScript, React, Next.js, Bootstrap, Tailwind, and SASS. These are the essential skills and technologies for a front-end developer, and I have demonstrated them in various projects that I have completed in the past year.

## EXPERIENCE

### Front End Developer

#### Tech Studio Academy

2023 - 2024 Lagos, Nigeria

I developed and designed a couple of websites, including a blog, an e-commerce app etc

- I implemented version control to efficiently create wide-scale projects with large teams.
- I insured continuous availability of services through effective troubleshooting and optimization techniques.
- I collaborated with various teams to create functional, usable and scalable website application for various needs.
- I utilized React and Next.js to enhance the architecture and reliability of core web applications
- I implemented APIs and MongoDB services to create a functional database.

## STRENGTHS

### Problem Solving

I developed innovative solutions resulting in improved system performance by 30%.

### Collaboration

I worked closely with cross-functional teams to deliver complex projects on time and within budget.

### Adaptability

I successfully adapted to changing project requirements, ensuring seamless integration of new functionalities.

## EDUCATION

### Frontend Development

#### Tech Studio Academy

2023 - 2024 Lagos, Nigeria

### Responsive Web Design

#### freeCodeCamp

2023 - 2023 Remote

## SKILLS

GitHub

HTML

CSS

SASS

Figma

Bootstrap

JavaScript

React

Tailwind

Next.js

MongoDB

## PROJECTS

### Furns

I created a minimal e-commerce webpage  
[<https://new-ecommerce-seven.vercel.app/>]

## PROJECTS

---
